

Please do not approve of the above request. The last few years have been the most peaceful I have ever had. NO UNWANTED phone solicitations! I do not want anyone to have permission to bother me any time they choose. Indiana enjoys the toughest 'do not call list' in the US. In my opinion it could even be tougher...not shot full of exceptions for the big money interests such as the the banks.

DO NOT PASS THIS BILL!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

R. A. Hall
